## **School Council Update (Eric Miglin)**

There are four main roles of the School Council:

1. Voice of the parents
2. Home School communication
3. Events (eg. Graduating Dinner, Teachers Luncheon)
4. Financial

Come on out and join the meetings as they are very informative about initiatives at the school. Also, many Council positions are available and it is a really great way to become involved in your child's education.

A Special Events Coordinator is being sought to work with and transition for the current Coordinator, Karen Kingsmill. The Grad Dinner is scheduled for October 4<sup>th</sup>. Please encourage your grade 9/10/11 son or daughter to

volunteer to help set up, serve and/or assist with clean up on that day. After all, they will be graduating at some point and will appreciate the wonderful day – and it's a great way to see and reconnect with those graduates.

### **Principal's Update (Joel Gorenkoff):**

- **Parent Participation:** Please get involved. It is very important to your children (despite what they might say!).
- **Global Education Pilot Project:** There is a pilot project to build global knowledge in NTCI students. The first initiative is the trip to the Honduras (see below).
- **New Staff at NTCI:** Betty Andriopoulos (English), Carey Chisholm (assigned to SES shared with Drewry S.S.), Erica Grondin (English/Careers), Rupa Mehra (Guidance), Robert O'Connell (Science), Bernaldete Raposo-Ferreira (Main Office), Carol Ratzlaff (Music), Jennifer Rowland (Science), Rob Salvatore (Phys Ed), Stefan Santamaria (History), Jennifer Schwartz (Guidance/Co-Op), Karina Shafiq (Moderns Teacher). A warm welcome to everyone!
- **Rob Salvatore** noted that the season opener Boys Football game is against Lawrence Park on September 28<sup>th</sup>.
- **Teacher Rep to School Council:** Carole Whelan will be the Rep and will be out at meetings.
- **Vice-Principal: Ken Do (Students M to Z).** Ken provided an outline of his key responsibilities, such as setting up the exam schedule. Ken reported that TTC Photo Day is September 21<sup>st</sup> (cost is \$5.00). Ken shared that the TTC Photo Day cost is \$5.00. Retake day is October 15<sup>th</sup>. Yearbook Photo Day is also September 21<sup>st</sup>.
- **Vice-Principal: Mary Laszlo (Students A to L):** Mary outlined her key responsibilities, including building the timetable. Mary noted that September 20<sup>th</sup> is Mini-Night. On that night, there will be some opening comments and then parents will receive a copy of your student's timetable. Parents follow that timetable through a series of short rotations to their child's classrooms. This provides you a chance to hear brief comments about the course and to meet the teacher. We will be introducing a program called ESP (Empowering Student Program): It will be initially focused on safety and will involve delivery of safety programs and other initiatives. The web site is [www.ntci.on.ca](http://www.ntci.on.ca).
- **Parent Communication:** Be sure to sign up on the web-site to receive emails from the school. This is an excellent source of information. If you have any specific concerns, contact the teacher. Alternatively, you can contact the appropriate Vice-Principal or Principal.
- **Leadership Class:** This is a new credit course for Grade 11 students aimed at building leadership skills.
- **Equity:** There is an Equity Committee working on social justice and equity issues identified by the students and staff at NTCI. From this the Gay/Straight Alliance has been formed, focusing on preventing homophobia at NTCI. There is also work being done on 'classism' to ensure that there is broad access to all programs, celebrations of key cultural events (eg. Black History Month).
- **Substance Abuse:** There is a new program, sponsored by the YMCA that will involve educating and training senior students to deliver education programs to their peers and to junior students about substance abuse. More information on this program will be provided at upcoming Parent Council meetings.
- **Music:** All the wonderful traditions at NTCI will continue this year.
- **Safe Schools:** The school will practice safety drills, including a lock-down practice over the next few weeks.
- **New Building:** The construction has begun! The math wing has been torn down and portables have been put up. During the construction, programs are continuing. A partnership has been developed with Eglinton Park to ensure we have a field (eg. for Football). An official groundbreaking is being planned, possibly to take place in October. The target for opening the new school is September-December 2009.

### **Global Education (Karen Wolfe):**

- **Honduras Trip:** Twenty students will go to a village in Honduras for three weeks working on a community project for the citizens of the town. Students will be living with families while they are there. When the

students return, we hope that they will continue contributing to their communities. Every Thursday before the students go down they will spend time at lunch learning about social justice issues, as well as the culture and politics of Honduras. The trip runs December 27<sup>th</sup> to January 17<sup>th</sup>. There is a parent information session on September 18<sup>th</sup> at 7:00 p.m. Senior students will have priority but depending on the applications, the trip may be open to lower grades as well. The fee is expected to be between \$1500 and \$2000 plus airfare. The costs include their stay with host families, meals etc. There is a parent information session regarding the project on September 18<sup>th</sup> at 7:00 p.m.
