Student Activity Fee - \$35.00 **Required** by all students (If there are financial restraints, please contact the school)

Student Activity Fees are a necessary and important part of life at North Toronto. These fees help to support student events such as lawn parties & spirit days, house league and varsity level athletics, our award-winning school newspaper and over 35 student clubs & organizations that enrich the lives of students at N.T. These fees also cover a student agenda that is **essential** for student organization and time management and a contribution to the NT Opportunity Fund, which offers extra-curricular & curricular subsidies to students with financial need.

**In addition to the Student Activity Fee, you may also purchase the yearbook, and contribute to the School Council.*

Pentagon - \$40.00

A yearbook is about memories and friendships. "Pentagon Day" in June is a time to reflect on the year that has passed and to sign yearbooks during the end of year lawn party. Make sure you reserve your copy of the Pentagon 2018-2019.

North Toronto Parents' Association/ School Council - \$20.00

Commencement awards, support for special school trips, funds for athletics and clubs, money for a school team to travel to a special competition: these are just a few examples of the many ways that the Parents' Association supports our school. Please support your School (Parent) Council so that it may continue to support the tradition of excellence at N.T.

The All-in-One Package Deal (\$90.00)

Recommended - this discounted package covers all three fees listed above.
