

Community Meeting
North Toronto Collegiate Institute
Redevelopment Project Update
Monday, November 28, 2005

7:00 p.m. – 9:00 PM

at

North Toronto Collegiate Institute
70 Roehampton Avenue
Auditorium

Hosted by Josh Matlow, Trustee for St. Paul's

The Toronto District School Board (TDSB) invites you to the next North Toronto Collegiate Institute public consultation meeting to be held on November 28, 2005. This meeting will provide an opportunity to present the preliminary plans for the North Toronto CI redevelopment project to the community, and to seek input, respecting the design of the school, residential buildings and underground parking.

Background

Early in 2003, the TDSB approved the replacement of the North Toronto CI facility. On November 27, 2003, the School Board held a public meeting to present a proposed land use concept plan to the community.

On February 19, 2004, a public meeting was held to present the various options considered by the TDSB during its deliberations concerning the future of North Toronto CI, and to invite further community involvement into the decision-making process.

In July 2004, the TDSB issued a Request for Proposal to the Development community for the selection of a development partner, to work with the TDSB in redeveloping the North Toronto CI property and the provision of a new school facility. In consultation with representatives of the Sherwood Park Residents' Association and as approved by the TDSB, Tridel Builders Inc. have been selected as the development partner for this project.

Working with TDSB staff, North Toronto CI students, North Toronto CI alumni and the Sherwood Park Residents' Association, Tridel and their project architects have developed preliminary plans for the new school and the residential buildings.

Please join us on November 28, 2005 at 7:00 p.m. at North Toronto Collegiate Institute.

Josh Matlow
