Celebrate the Spirit of Success

Come witness history in the making on Wednesday, November 21st at 10 am as we celebrate the success of the dynamic collaboration between the [Toronto District School Board \(TDSB\)](#), [North Toronto Collegiate Institute \(NTCI\)](#) and [Tridel](#).

During this ground breaking media event, you will discover how this unique partnership has forged a new model for the future of the development industry. Learn how a leading edge design for the NTCI school became possible with the addition of a separate and distinctive residential condominium community, The Republic of Yonge & Eglinton.

With massive input from students and the community, TDSB's bold initiative to solve the common challenge of funding improvements to schools and their programming has proven itself as visionary. Working with Tridel to design and build the new NTCI as the first L.E.E.D Gold candidate secondary school, TDSB has created a model for the future.

TDSB and Tridel invite you to help literally break new ground, to begin construction on one of Canada's most environmentally friendly schools and premier condominium communities.

Celebrate the Spirit of Success!

Please RSVP by November 9th, 2007
